New Visiting Policy

We have updated our visitor policies at SBH Health System to ensure a safe environment for our patients and visitors amid the outbreak of novel coronavirus (COVID-19).

All Hospital Visitors:
All visitors are screened prior to entering the hospital. Sick visitors are asked to leave and visitors that have traveled to China, South Korea, Iran, Italy or Japan are not permitted to visit.

Inpatient Locations:
1. Visitors with travel or ILI symptoms (e.g. fever, dry cough, sneezing, runny nose, and shortness of breath) are not permitted to visit
2. Inpatient – One visitor is allowed per adult patient
3. OB – Two visitors/patient
4. NICU/Peds – Two visitors/patient
5. Hospice – Two visitors/patient (unless otherwise determined by the physician)
6. Behavioral Health – One visitor/patient

Emergency Department:
1. Visitors with travel or ILI symptoms are not permitted to visit
2. Peds ED – one visitor/parent with patient
3. Adult ED – no visitors unless patient requires assistance

These policies are subject to change as we continue to closely monitor the situation. We greatly appreciate your cooperation.
